

# MINUTES SEPTEMBER 8 2014

1. Residents discussed the draft of the submission objecting to aspects of DA14/0435. Additions required were about increased traffic along Clothiers Creek Road and Rosewood; and, more emphasis was required on protecting the natural environment.
2. Residents thanked the CBBRA for their work investigating this DA.
3. Next meeting - October 13<sup>th</sup>: *BAG IT* (free movie) shown in Sports Club to raise awareness of the hazards of plastic. 7.00pm.  
Bring friends and non-members.  
Help spread the word - "*refuse plastic*".

CBBRA hope all members support the Arts Trail on October 4th - music and artists and workshops dotted along the trail from the top of the whale watching platform down the park over the littoral rainforest and through to the main beach and pub. 10.00am to 4.00pm - followed by more music at the Surf Club.
