General business:

1. The executive decided to donate \$100 to Caba Progressive for insurance of the Caba Eco Carnivale.

REPORTS:

1. **Boomerang Bags** Faye Nash: New signs erected at north and south gateway saying Boomerang Bags. Thanks Tweed Council. These will be launched on Caba Eco Carnivale Day March 1st now under the auspices of Caba Progressive. Businesses that have supported us will be displaying a wooden Boomerang sign saying supporter. There will be a stall on the day giving out info and selling bags.
2. **Dune Care** report. Faye Nash: Clean Beaches application was written by Ron Hankin, we won the Safety and Services award for the signage around town, the whale watching platform and the work of SLSC. We were runners up in Community Partnerships. Spread the word for membership please. Clean Up Australia day will be held concurrently with the Eco Carnivale. AGM 7th March at the container on Goanna Track at 8.30.
3. **Caba Creative** –The Caba **EcoCarnivale** summarised by Suzi. Plans are moving along quickly – stalls are booked and the Council has approved the organisation- just waiting for approval for the partial road closure. All (except one) businesses in Pandanus Ave and Tweed Coast Road are supportive.

Please invite friends from out of town to visit on the day. There will be lots to see, do and buy.

4. **Caba Progressive** - The Caba **EcoCarnivale March 1st 2015**. Lock in the date. New web site online www.cabaprogressive.com.au If you have a business or know someone suggest they get in touch and gain the benefits of group power.
5. **Caba Trails** – ACTIVITY Trail blazing. We feel that the practice of trail blazing similar to the formative work on the Bush Tucker Trail assists in the focussing of traffic. We encourage our members to place dead branches along the sides of a trail particularly where there are prospects of the regrowth obscuring the way. Mike and Luke met with Mayor Gary Bagnall to introduce Caba Trails and explain our objectives. The big concept - that Caba is the hub for an area of great biodiversity and to establish a coordinated series of trail markers was not embraced. Gary suggested that we should only focus on one track at a time. Destination Tweed are not involved. Luke will follow up with NP&WS as we have learnt that they intend to update their plan of management of Cudgen Nature Reserve. We decided that our priority for a trail is in the lake precinct. Mike Stanley is the leader but the team operate on “collegiate roles”.
6. **Caba Community Garden** – FAYE NASH
8 new beds available - contact Faye Nash if you want to join. 0407831370.
Membership \$10 p.a. or to ‘rent’ a plot with membership \$35 p.a. AGM will be March 21 at 9.00.

Business:
